

# ALL ABOARD! SWEET BREEZE

FORT WAYNE'S AUTHENTIC CANAL BOAT

Schedule a class field trip today!  
Two courses of study—Grades 3–12

★ On-river tours that meet Indiana DOE Standards for targeted grades. Learn more at [RideSweetBreeze.org/field-trips](https://RideSweetBreeze.org/field-trips)

★ **Grades 3, 4 and 5 meet Social Studies standards by:**

- Riding on a Wabash–Erie Canal Boat replica and learning canal history.
- Hearing about early Fort Wayne and Indiana settlers- and what a beaver pelt feels like!
- Observing an early Native American Miami village and touching a real arrow head!

★ **Grades 4 & 5; 6, 7 & 8; and 9–12 will learn from a custom, science Eco-tour that includes:**

- Observation and discussion of plant and animal species on Fort Wayne rivers.
- Interaction with on-board watershed models and observational sites identified on the tour.
- Collection of on-board water samples with a plankton net and examination of digital sample images.

★ Pre-field trip classroom learning activities and post-field trip studies provided to complement Sweet Breeze tours.

★ On board docents guide students with storytelling and directing age-appropriate activities.

★ **Fully Accessible:** Sweet Breeze and walkways to the dock are wheelchair accessible. On board accessible restroom facilities.

★ **For more information and tour availability:**
